Engineering Solutions & Products LLC (ESP) Awarded Enhanced Army Global Logistics Enterprise (EAGLE) Contract

CHANTILLY, VA—October 20, 2015—Engineering, Solutions and Products LLC (ESP) was successfully on-ramped to the Enhanced Army Global Logistics Enterprise (EAGLE) Basic Ordering Agreement (BOA) with a ceiling value of \$23B. The Army is using the EAGLE contract to move equipment in and out of theater and also to reset equipment so it is ready for overseas deployment, troop training, inventory and parts.

Doug Fouser, President and CEO of ESP, stated “This strategic win enables ESP to leverage our integrated logistics core competencies to serve our customers in and out of theater”.

The ESP Team is comprised of teammates Automotive Management Services FZ-LLC, EMI Services, Gemini Tech Services LLC, Purple Shovel, and Crisis Response Company.

The EAGLE BOA period of performance continues through 28 September 2017.

About ESP

ESP is a leading services and solutions provider in response to acquisition, technology and integrated logistics requirements in the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) technology domain. ESP is a mid-tier Chantilly, VA. based large business with over 550 employees and annual revenue of \$100M. They are an ISO 9001:2008 certified company.

All inquiries should be directed to Hans Hollister, ESP Executive Vice President.
