## **ESP Enters DoD Mentor-Protégé Agreement With Sarai Services Group, Inc (SSG)**

ESP Continues to Focus on Small Business Partnerships

**CHANTILLY, VIRGINIA**—October 20, 2015— Engineering Solutions & Products LLC (ESP) recently entered into a formal Department of Defense (DoD) Mentor-Protégé Agreement with Sarai Services Group, Inc. (SSG). The three year agreement was formally launched last week with a celebration at ESP Headquarters, located in Chantilly, VA

SSG is a service disabled, veteran-owned, small disadvantaged, minority-owned business headquartered in Huntsville, Alabama. Established in 2013, SSG specializes in logistics, program management, and information technology.

Doug Fouser, President and CEO of ESP, stated, “We are proud to serve as a mentor to SSG through the DoD Mentor-Protégé Program. We have immediate plans to commence training and partnering with SSG as we expand our businesses together. Through partnerships such as this, ESP remains focused on small businesses.”

The DoD Mentor-Protégé Program has continued to offer substantial assistance to small disadvantaged businesses since 1991. ESP previously mentored the Greystones Group through the successful DoD mentoring program.

### **About ESP**

ESP is a leading support services, solution based provider in response to acquisition, technology and integrated logistics requirements in the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) technology domain. ESP is a mid-tier Chantilly, VA based large business with over 550 employees and annual revenue of \$100M. They are an ISO 9001:2008 certified company.

All inquiries should be directed to Hans Hollister, ESP Executive Vice President.
