## Engineering Solutions & Products LLC Awarded OASIS Pool 3

**CHANTILLY, VA**— August 12, 2016 – The General Services Administration (GSA) recently awarded the One Acquisition Solution for Integrated Services (OASIS) Pool 3 Unrestricted contract to Engineering Solutions & Products LLC (ESP). The Contract period of performance consists of one base period and one 5-year option that extends the contract to September 2024.

The OASIS contracts provide the Government with access to flexible and innovative solutions for complex professional services. “OASIS enables ESP to offer expanded professional engineering solutions to our customers,” said Doug Fouser, President and CEO of ESP. “We are impressed with the GSA OASIS Program Office and their willingness to proactively engage and support agencies across the Government.”

The OASIS Pool 3 contract belongs to a family of seven separate OASIS Government-wide Multiple Award, Indefinite Delivery, Indefinite Quantity (MA-IDIQ) task order contract pools. The contracts are designed to address the Government’s need for a full range of service requirements that integrate multiple professional service disciplines and ancillary services/products. OASIS provides flexibility for all contract types and pricing at the task order level.

### **About ESP**

ESP is a leading support services, solution-based provider in response to acquisition, technology and integrated logistics requirements in the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) technology domain. ESP is a mid-tier large business with annual revenue of \$100M. They are an ISO 9001:2008 certified company.

All inquiries should be directed to Hans Hollister, ESP Executive Vice President.
