General Bantz J. “John” Craddock Joins Engineering Solutions & Products LLC (ESP) Advisory Board

CHANTILLY, VA - May 11, 2016 - Engineering Solutions and Products LLC (ESP) announced today that General Bantz J. “John” Craddock, U.S. Army Retired, has joined the ESP Advisory Board. “John’s extensive experience as a distinguished leader in both the corporate and military arenas will immediately benefit ESP’s strategic growth strategy,” said Douglas Fouser, ESP President and Chief Executive Officer.

General Craddock served as the Supreme Allied Commander Europe (SACEUR) and Commander in Chief of the U.S. European Command. As SACEUR, General Craddock commanded the military forces of NATO’s 28 nations and led history’s most successful alliance into new frontiers of relevance and purpose. His distinguished military career spanned leadership at all levels, including Combat Commander in Operation Desert Storm and Commander of the U.S. Southern Command.

General Craddock received many U.S. military and international awards for distinguished service. He currently serves on the Board of Directors of the Atlantic Council and on the Board of Advisors of MTCI. Prior to this, he served as President of the MPRI Division at L-3 Communications. He is a graduate from West Virginia University and received a master’s degree in military arts and sciences from the U.S. Army Command and General Staff College.

About ESP

ESP is a leading support services, solution-based provider in response to acquisition, technology and integrated logistics requirements in the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) technology domain. ESP is a mid-tier large business with annual revenue of \$100M. They are an ISO 9001:2008 certified company.

All inquiries should be directed to Hans Hollister, ESP Executive Vice President.
